

Is Online Teaching Right for Me?

A survey to gauge a teacher's chances for success in an online environment

This survey is for your own use and information. It WILL NOT be used as part of SOCRATES Online teacher selection process.

Answer No or Yes to the questions below. If you have more than three No's you either need to carefully consider your preparation and skill set as an online teacher or make some changes and/or take additional training that would allow you to be a better online teaching candidate.

_____ I have easy access to a computer and the Internet.

_____ I am a regular user of e-mail.

_____ I answer e-mail in a timely manner.

_____ I know how to create and manage e-mail folders.

_____ I know how to use Internet applications such as document sharing and discussion groups.

_____ I can download and upload files to interactive websites and open downloaded documents in various file formats.

_____ I have been trained to use and/or have used a course management system such as Moodle.

_____ The computer I will use for the class has Microsoft Word and Excel.
